

**Elias Chavez**

Electrical engineering is the field of study Elias Chavez plans to pursue after graduation from Hart High School. He is the son of Nick and Vickie Chavez. His work experience includes farm work.

He enjoys racing, hunting and playing basketball. His favorite memory of high school is laughing and making jokes.

He participated in football, basketball, track, FFA (which included showing pigs) and welding, which included making a grill.

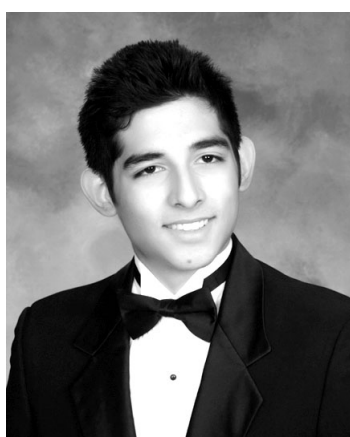

**Eliseo Isaac Carrasco**

Attending South Plains College to become a welder or a wind power technician are plans for Eliseo Carrasco, son of Ismael and Rosalinda Carrasco, Jr.

His work experience includes farm work. He enjoys hunting. Cracking jokes are some of his favorite high school memories.

Eliseo played football, basketball and golf in high school, and showed pigs in FFA, and also learned how to build a cooking grill.

He was a co-recipient of the Longhorn Fighting Award his senior year.

**Gilbert Olivarez**

Gilbert Olivarez plans to go to the Marine Corps after graduation. He is the son of Nick Olivarez and Elizabeth Vidal.

He played football and ran cross country. He enjoys playing computer games and watching TV.

His favorite high school memory was changing high schools.

**Jessica D'Nae Garcia**

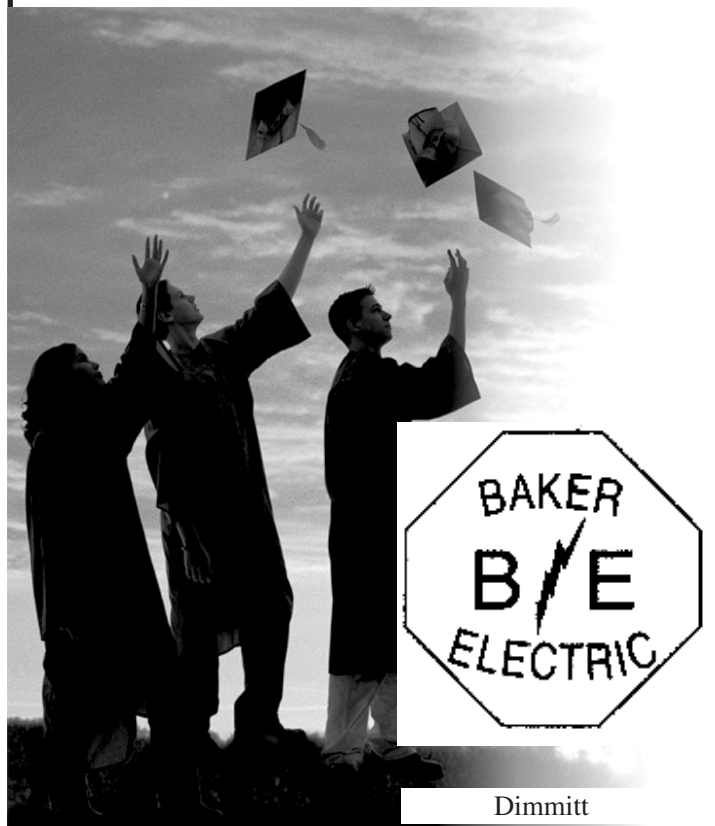

The daughter of Ramiro and Susie Garcia, Jessica plans to get an associates degree in accounting from South Plains College.

She played basketball and ran cross country and track while in high school. She also was on the yearbook staff and in student council.

Her favorite high school memory is seeing a couple of guys "spinning" in the halls.

Best of Luck, Grads!

Congratulations, Class of 2014!
