City Council Discusses Possibility Of Trash Service To Some Residents Outside City Limits

At the Feb. 18, 2014, meeting of the City Council, it was decided for the City to provide trash services to potential households, the occupants of which live outside the City limits. The Council has drawn a boundary line, and persons living within that line will be made aware of the service. A monthly rate of \$35 per customer was agreed on. At the meeting, 13 potential customers had been identified.

The City has ordered extra dumpsters and when these come in, the potential customers will be notified. The trash will be picked up weekly.
