## ♥ Notes (by Neoma Williams)

I was reading a something about the Matador Ranch in the *Ca-prock Courier*, a weekly newspaper covering Briscoe, Hall, Motley, Cottle and King Counties.

The Matador was formed by some Scotts in 1882. In 1952, Fred Koch bought the ranch, and it became a part of what is now Koch Industries.

If you listen to news at all, you've heard of the Koch Brothers, who, as I understand it, spend lots of money on conservative politicians. I am really surprised that the famed Matador Ranch is owned by the Koch Brothers.

I was looking at the ranch website. It is a working cattle ranch with commercial cattle and a small herd of registered Akaushsi cattle. And, the ranch provides trophy hunting. (My view of such hunting is really, how fair is it to these animals to be killed by continued to Page 6

## Print Edition

continued from Page 2

September, and haven't thought it out what I will do for the rest of the year. For October, I may print a newsletter, as I did a couple of times last year.

It's the story of David and Goliath. I, as David, don't have the strength to slay Goliath. I printed at Floydada for years. When that press closed, I printed at Plainview, and that worked out very well for me. However, Hearst Corporation, which owns the *Plainview Herald*, shut down press operations in Plainview, and that paper is printed in Midland. All the weeklies that Plainview printed went elsewhere.

If I can't find a reasonable solution, I may have to discontinue the print edition. I will keep you posted. If I discontinue the print edition, I plan to continue the website.
