Dear Santa,  
 I have been a good kid. I like my homework, chores and I respect others. I wouldn't want to be on your naughty list. I would like an Xbox One or 360 Play station and I would certainly like any electronics. And, Santa, even the people who are naughty, please make them happy. On the other hand, I wil try to leave you something. Merry Christmas and Happy New Year.

Dear Santa,  
 I want nail polish to paint my

friends' nails. I wish my familiy would be nice to me all of the time. Also, I want a baby kitten; I will take good care of it, giving it milk, water, cat food. I will take it for a walk. I really want to move to Olton to make new friends there. I have been a good girl because there is an elf there; so I have to be nice to Hannah when her elf is there watching her. If Hannah's elf sees her being mean, she is going to be on the naughty list. Next, Mia wants a kitten, a new bed and a new room for her own self. She wants one more thing, marker colors, math colors and little markers.
