School Hires Ag Teacher

Supt. Ken Rosser told *The Pulse* last week that he has hired an ag teacher for the secondary school. Her name is Madi Thompson, a graduate of Pampa High School and a December graduate of West Texas A&M University.

He adds that she is certified in her teaching field. He said that her classes will be filled with students from other elective classes. Instruction will include introduction to agriculture and ag mechanics.

Rosser said that ag teachers are hard to come by. Before employing Thompson, he said he had been to three job fairs this year, and there was only one applicant.

At the Dec. 8 meeting, it was noted how board members will soon have their continuing education hours completed. Rosser said that he has been told that this is the best record ever for Hart ISD's boards.

After a public hearing in which no one from the public was present, the board accepted the Texas Academic Performance Report.

Superintendents are evaluated yearly. The board will discuss evaluation criteria at the February meeting and will have Supt. Ken Rosser's appraisal ready for discussion on continued employment in March.

And lo, the angel of the Lord
came upon them, and the
glory of the Lord shone
round about them: and they
were sore afraid.

And the angel said unto
them, Fear not: for, behold, I
bring you good tidings of
great joy, which shall be to
all people.

For unto you is born this day
in the city of David a Saviour,
which is Christ the Lord.

And this shall be a sign unto
you; Ye shall find the babe wrapped in
swaddling clothes, lying in a manger.

And, suddenly, there was with the angel a
multitude of the heavenly host praising God, and
saying, Glory to God in the highest, and on earth
peace, good will toward men.
