Longhorns End Gridiron Season With Loss; Basketball Begins

After starting the football season with good prospects for a winning season, injury struck, and things changed for the worse. The Longhorns won no district games.

Coach Adam Zepeda said, however, that the Longhorns were the youngest team in district. And, he said there is much potential coming back. He said he is losing two seniors, Chico Barron and Angel Corral.

Zepeda is the head basketball coach for the boys. After two days of practice, the Longhorns defeated Morton 53-39 last week. Senior Mark Galvan led Hart with 20 points.

Using a point-zone defense, the Longhorns caused 15 turnovers, and were able to capitalize on these. Free throws need to be improved; Hart shot 43 free throws and missed 18 of these.
