

Murphey To Perform In Amarillo's Kwhadi Museum

Museum is closed or the agent taking another call, leave a message and an agent will call you.

The Plaza is one of Murphey's favorite places to perform the Cowboy Christmas Ball. It is a non-traditional theater resembling a Santa Fe Plaza decorated for Christmas with a high wooden ceiling and "great" acoustics. Seating 300 people, everyone in the audience is within 50 feet of Murphey when he is on stage. The intimate setting is filled with ambience and a perfect setting for the music of the famous Cowboy Christmas Ball!

Proceeds from the performance will go to the benefit of the Kwahadi Museum, a non-profit community Museum featuring fine art and artifacts portraying

the culture of Native American people. The Museum is included in the ticket price. Visitors can enjoy the Museum, browse the gift shop with over 100 Native artists' work, and enjoy Murphey and his musicians as they perform the Cowboy Christmas Ball.

The Kwahadi Dance Theater program for youth began in 1944, and over 2,000 youth have participated in over 4,000 performances in 48 states and abroad. The Kwahadi Museum was built as the dream of the dancers, and it opened on June 12, 2004. The youth made the last payment of the construction debt in November 2014. The Kwahadis perform the Song of the Eagle Pageant in the Plaza during the summer months for

thousands of visiting youth and tourists. During the winter the Kwahadis present their famous Winter Night Ceremonials in the Kiva Room.

The Museum is owned and operated on behalf of the dance program and other youth programs by Kwahadi Heritage, Inc., a 501(c)3 non-profit tax deductible organization. No youth or adult receives any pay, and all funds go to help with the youth programs and to continue to develop a fine Museum for our community. Funds earned from the concert will help put a roof over the 1,200 square foot Patio to create an indoor dressing room for the girls in the program. It will also help to finally install heating and air-conditioning into the youth dressing rooms.

Longhorn Ends With 5-5 Record

Head football coach Stacy Perryman said that the Longhorns ended their season at 5-5, but had no wins in district (0-4). Last year, the district record was the same at 0-4, and the season record was 3-7.

Hart lost by only six to Miami in district; by 12 to White Deer; 45-0 to Nazareth and 64-14 to Happy. At presstime, Happy is the only district team still in the playoffs.

He said that he was pleased with the progress made by his team. They started with 11 players and finished with 11. Four seniors will graduate: Justin Garcia, Juan Espinosa, Michael Salinas and Eloy Marquez.

He said that he will work to sustain the momentum gained this year. He initiated a more disciplined program.

Perryman said that Hart likely won't be in the same district, as realignment and reclassification will take place next year.

City Receives Sales Tax Rebate

The City of Hart received \$5,783.20 in sales tax rebates for September sales, reported in October. This is a 71.35 increase over the same period last year.

Several factors may have caused the increase, such as a tax audit, a person's late filing, etc. *The Pulse* has contacted the Comptroller's office in years past regarding instances of higher than normal rebates; no forthcoming answer was ever received.
