Longhorns Face Swifts Tonight

The Longhorns, with a 0-2 district record and 5-3 overall, face the Nazareth Swifts there tonight. Nazareth has a 1-1 district record and currently is tied with Miami in district. Nazareth defeated White Deer, but lost to Happy.

Happy, at 3-0, is in first place; White Deer is 1-2.

After defeating Whiteface 44-36 on Sept. 18 and winning their homecoming game with Wellman-Union, 54-26, the Longhorns lost to Miami 24-30 on Oct. 16. They defeated Silverton on Oct. 2 by a score of 64-15. On Oct. 23, Hart fell to White Deer 48-32.

In the Miami-Hart game, both defenses held firm in the fourth quarter, but the Longhorns couldn't figure out a way to get the last score needed.

Both teams traded scores early before Miami ran off 18 unanswered points late in the first quarter and through the second.

Hart's Abram Carlos threw a TD pass to Angel Morales, the second of three TD passes from QB to WR by the duo. The third pass came half way through the third quarter.

Hart's defense held Miami scoreless for over half the game, creating six turnovers, five fumbles and an interception.

Hart's passing offense was effective when they could complete a pass, scoring four TDs on eight completions, but taking 32 attempts for a meager 25% completion rate. The ground game managed 113 yards on 28 attempts for a four-yard per carry average.
